1 General

1.1 Fees according to this tariff regulation shall be paid for:

- Aircraft using civil airports administered by Swedavia AB.
- Civil aircraft using such military airports that are available for civil scheduled traffic by agreement between the Commander-in-Chief of the Swedish Air Force on one hand and the Swedavia AB on the other hand.

1.2 The fees consist of

- Take-off charge

1.3 Payment

Fees are payable to Swedavia AB

The fees shall be paid to Swedavia AB by the owner or user of the aircraft. The total amount shall be rounded off to full Swedish krona (SEK). Value added tax shall be paid according to the law on value added tax.

The fee prescribed according to this tariff is due to immediate payment to the Swedavia AB. Agreement can be made on periodic debiting, provided the owner or user of an aircraft carries on regularly or extensively traffic. However, respite for payment must not exceed 30 days. Late payment will result in interest of overdue payment with reference rate +10%.

1.4 Local Fees

Information about hangar, parking, garbage disposal and ground handling fees can be obtained from each and respective airport.

2 Take off fee

2.1 Take-off fee

Take-off fee shall be paid for each take-off.

Take-off fee is based on the maximum take-off weight (MTOW) authorised in the certificate of airworthiness rounded off to nearest 1,000 kg. Minimum take-off fee at Swedavia AB airports is shown in accordance with the table below.

Minimum fee in SEK per take-off

Airport	SEK

2.3.3 Refund

The annual take-off charge will be refunded only in case the aircraft's airworthiness is forfeited owing to an accident. Repayment of part of annual charge is not admitted because of strike, lock-out or similar activities on the labour market. When refunded the user will receive the part of the annual fee that is attributable to the number of full calendar months after the accident.

2.4 Exemption from take-off fee

2.4.1 Take-off fee shall not be paid for:

- Aircraft engaged in test flights arranged by Flight Safety Department for the purpose of establishing the airworthiness of aircraft (does not include test period),
- Operating flights on behalf of ambulance, HOSP flights, search and rescue services exclusively,
- Take-off after turning back to the airport of departure, due to technical or weather conditions.

2.4.2 Prior notification

Subject to the provisions of paragraph 2.3, exemption from next take-off fee (technical return excluded) may only be granted if notice in advance has been made to the appropriate air traffic services unit. When no air traffic services unit is available, notice must be made in advance to the local representative of Swedavia AB, provided that the intended take-off does not interfere with other aircraft.

2.5 Miscellaneous

2.5.1 Refund due to flight safety reasons

Take-off charge will not be reduced or refunded when use of an airport is restricted due to flight safety reasons.

3 Weekly season card

Owner of foreign aircraft with MTOW not exceeding 2,000 kg according to the certificate of airworthiness can buy a Weekly Season Card, provided that the flight is not intended for commercial purposes or school flights. The card is valid for a continuous period of seven days including the day of arrival and entitles an unspecified number of starts on state-owned airports except Stockholm Arlanda, Bromma Stockholm airport and Göteborg Landvetter airport within normal operational hours (see also 2.2.7). Provided that parking space is available, the card is also valid for parking on all state-owned airports, on space designated by the airport manager. The card can not be issued retroactively, beyond the day of purchase. If requested, the card can be issued for several continuous seven-day periods (maximum 3 periods within a 12 month period).

The fee for Weekly Season Card (including value added tax) is per each continuous period of seven days SEK 800

The card is only obtainable at state-owned airports. For take-off/landing at Stockholm Arlanda and Göteborg Landvetter see paragraph 2.2.7.

The card shall be kept with the other documents regarding to the aircraft and must be shown to the airport staff without reminder. Payments will not be refunded.

4 Other regulations

4.1 Load sheet

A load sheet evidencing the number of passengers of various categories to be carried on a flight shall be submitted by the owner or user of the aircraft to the appropriate airport, or by submitting Form E 1222 ATI (Air Traffic Information) for passengers carried on light aircraft.

4.2 Other ways of submitting passenger numbers

Swedish commercial operators can as an alternative to submit ATI specify the numbers of passengers on Form E 1268-1 statistic report of air taxi passengers. The form is to be submitted not later than the 5th after the traffic month, and shall specify the traffic for previous month, to: Swedavia Support, SE-601 79 Norrköping.

4.3 Exemptions

Whenever called for considering international practice and subject to reciprocity Swedavia AB may grant exemption from any of the fees under these regulations for foreign state aircraft. The demand for reciprocity shall be deemed to be met if nothing is known, or may be assumed, to the contrary. In doubtful cases contact: Swedavia Support, SE-601 79 Norrköping.

4.4 Special exemptions

Charges according to this regulation shall normally not be charged for foreign State aircraft used for:
Mission of foreign heads of state, members of government or similar official occasions.

4.5 Reduction of charges

In certain cases, Swedavia AB may grant reduction of charges according to this regulation. Information about such reductions can be obtained by each and respective Airport Manager

Application for reduction or repayment of fee shall be at the disposal of the Swedavia Support, SE-601 79 Norrköping within a year after end of period of fee.

5 Liability and Settlements of disputes

5.1 Liability

Neither Swedavia AB nor their respective servants or agents shall be liable for loss of or damage to the aircraft, its parts or accessories or any property contained therein, occurring while the aircraft is on the airport or is in the course of landing or taking off at the airport, arising or resulting directly or indirectly from any act, omission of act, neglect, or default on the part of Swedavia AB or their servants or agents, unless done with intent to cause damage, or recklessly and with knowledge that damage would probably result. In any event neither Swedavia AB nor their respective servants or agents shall be under any liability whatever for any indirect loss and/or expense (including loss of profit) suffered by an operator.

Swedavia AB shall not be liable for any loss (including any economic loss) of or any damage arising or resulting directly or indirectly from any act, omission of act, neglect, or default on the part of the supplier of Air Navigation Service in Sweden. Any such claim to be directed towards the supplier of the Air Navigation Services.

5.2 Settlement of disputes

Any disputes arising from the provision of services mentioned in this document will be settled by Swedish law at Stockholm District Court.
